## **Amicus Committee Update- Illinois Senate Bill 152**

### **Illinois Senate Bill 152**

Yesterday, Illinois Governor, Pat Quinn, signed into law Senate Bill 152. As you may recall the bill requires all insurance companies to submit automobile property damage claims (liability and damage issues only) less than \$2,500.00 to Inter-Company Arbitration. Upon mutual agreement parties may agree to use an alternate forum, including a court of law. The effective date of the bill is January 1, 2012.
