

NASP Amicus Update: New York Anti-Subrogation Bill

August 2, 2007

Amicus Update:

The New York Legislature ended earlier this month without passing any measure regarding subrogation rights. Subrogated carriers dodged a bullet this time around as the legislature failed to agree on subrogation reform. However, this does not mean we are out of the woods as this still remains a priority for the Governor and the legislature. NASP Amicus committee will continue to monitor the situation and keep you informed as matters change.
